

2016 USATF Niagara Travel Stipend

USATF Niagara is offering a travel/training stipend in which athletes may qualify for and receive funds for travel to USATF National Championships, USA Team Selection races, and international events. Funds may also be used for hotel, coaching fees, training camp fees, and physical therapy/chiropractic/massage treatments. The stipend will only be paid if the athlete participates in the event for which they are requesting a travel stipend. Receipts for all expenses may be requested.

CRITERIA:

- The Athlete must be a US Citizen, a USATF-Niagara member in good standing and eligible to compete on a USATF National Team. (Proof of Citizenship is required)
- * The athlete is eligible for a maximum of \$500 stipend per calendar year.
- * The athlete must submit a formal request to USATF-Niagara.
- * The athlete must be a Junior, Open or Master Athlete—the stipend is not available to Youth Athletes.
- * ***Submission of an article outlining the experience and event photos for possible publication on the USATF-Niagara website is strongly encouraged but not required for the stipend.***

Athletes may submit applications for both stipend periods. Money is distributed at the discretion of the funding committee. Anyone requesting money for anything other than the uses stated above must be approved by the funding committee.
