

MARIE DAVIS

Position: Board At-Large

I started running cross country in high school over 36 years ago and continued that into my adult life consisting of 5 and 10 K'S.

I moved to New York State in 2012 and transitioned into running longer distances consisting of half marathons and marathons.

In 2019 I joined the Roadkill Racing Team and became a member of USATF Niagara Region. I am still a member of USATF Niagara Region today as well as Roadkill Racing. I continue to expand on my running career with trail running in such events as Breakneck, Twisted Branch, and Hyner to name a few.
