NOMINEE'S EXPERIENCE, QUALIFICATIONS, INTEREST IN THE POSITION:

Dedicated and passionate individual with years of coaching, athletic experience and a long-standing career in the non-profit sector. My coaching philosophy is one that “continuous effort – not strength or intelligence – is the key to unlocking our potential” (Liane Cardes) which I try to instill in all of those that I work with. It is my goal to help youth build self-confidence, personal character, and reach their highest potential while improving their physical, mental, and social well-being. I bring these values to the Just Blaze Tack Club (2014-present) as the founder and head coach of the organization. Additional coaching experience includes Indoor and Outdoor Sprinters Coach at Canisius High School (2014-present), Indoor and Outdoor Sprinters Coach at St. Joseph’s Collegiate Institute (2013-2014), Football Coach at Williamsville East (2012-2015), TTFA Football Coach (2012-2013), Cleveland Hill Baseball Coach (2012-2013), Buffalo City Honors Sprinters Coach (2010) and God’s Speed Track Club Sprinters Coach (2010) and Flower City Track Summer Track Club Assistant Coach (1997-2000). In addition, college athletic experience includes football and track and field at the University at Buffalo (1998-2002).
