

***Rozanne Redlinski***

Position: Secretary

I am running for my second term as Secretary of the Niagara Association. I would like to continue my support for the Association even though my residence is in Nashville. My past experience as secretary for both the Association and the National Organizational Services Committee help me to keep the Board informed about requirements and updates from the national level.

I am a retired college professor who now enjoys her grand children, teaching aquatics and playing pickle ball. I have had the honor of officiating at Vanderbilt, Auburn, Ole Miss, Spire St. John Fisher and Berry College, as well as with the crews of the D3 and D1 championships.

Living in the Nashville area has shown me how strong the Niagara Association is when compared to other associations. We have a great nucleus of hard workers and I hope to help maintain this level of professionalism.
