NOMINEE'S EXPERIENCE, QUALIFICATIONS, INTEREST IN THE POSITION:

I am a life long resident of Western New York, currently residing in the city of Buffalo for 34 years. I've been involved in the road racing community of WNY for 38 years. I've also been involved in a race management company, as a principle, which directed multi-sport events.

I've completed 18 marathons, over 100 triathlons including 3 Ironman triathlons and several hundred 5k and 10k road races, both locally and nationally.

I am currently a chiropractor in Williamsville, NY for the past 15 years, and previously worked at a manufacturing business for 20 years which employed 200+ employees in many positions including CEO.

In addition to being interested in running, triathlon, fitness and health, I am also an avid architecture enthusiast.
